To Whom It May Concern

It is with immense pleasure that I write this letter of recommendation for **Prasanna Shrestha**. I have been working as a Hotel Management subject teacher at Chanakya Secondary School, Thimi, Bhaktapur since 2014. **Shrestha** had been my student for two years- 2021 to 2023. I taught him Mathematics subject in XI and XII. As a Mathematics teacher, I closely monitored his works and assignments and had always found him careful, sincere and hardworking. I found him the most motivated student I have ever had the pleasure to teach.

Shrestha was a complete student, interested not only in his studies but also in other co-curricular activities. He focused and dedicated himself towards his studies and was always enthusiastic and innovative in class. He was a true all-rounder. During his period of study, he was involved in the co-curricular activities conducted at school at regular intervals. After knowing him for two years, I have no doubt that he would maintain his dedication and commitment towards his higher studies as well.

An earnest and thoughtful **Shrestha** has worthy ambitions and big dreams for the future. I know that his plans are already on the anvil and all he needs is a place to begin. I believe that if provided with an opportunity to excel, he will not fail to deliver to the best of his abilities at any institution. I have every confidence that he has the intelligence, the motivation and the personal qualities needed to fulfill his dreams, and I look forward with great anticipation to watching his career unfold. I am entirely confident that he would be a great asset to your institution. I do so with the confidence that he would have much to contribute to not only academically, but also in terms of his many positive personal qualities- his sincerity and his eagerness to make a difference.

Letter of Recommendation To Whom It May Concern

I am very pleased to write this recommendation letter on behalf of **Mr. Prasanna Shrestha**, as his Principal at Chanakya Secondary School. He had been a student of +2 Management (Grade XI and XII) from 2021 to 2023. This school is an English medium school and registered by the Government of Nepal. The entire course required for grade XI and XII are taught in English. As his principal for two years, I have watched him both academically and personally into a mature individual ready in every way for his school years.

He is bright, energetic, compassionate and genuinely well-rounded student. He is very determined to achieve what he wants and also works over his weak points to excel further. His assignment and attendance are very regular and impressive. Furthermore, he has been an energetic and participant in diverse assortment if extracurricular activities in our School.

Unlike many students who are not sure which field to pursue, he has made it clear to us all that wishes to pursue his higher studies in your premise; I have got positive feedback from his teacher about his interest and eminent potential. He bears a noble character and always seeks to teachers, friends and non-teaching staffs as well. School departments, teachers, and also his friend admire him for his polite behavior and dedication towards study. He was always ready to successfully deal with the hardest problems in front of him. His diverse capabilities and moral character brought good learning atmosphere inside and outside the classroom in our high school.

It is clear to me as I hope it is to you that he is an exceptional candidate, one that would contribute greatly to any program. I wholeheartedly recommend him to the admission Committee that his contribution to the campus community will be noteworthy as it has been here, and wish best in all his future endeavors.
